SPECIAL PRICING FOR 501(c)(3) ORGANIZATIONS

Thank you for your interest in KC Wineworks!

We are pleased to offer our wines through a special pricing program created for 501(c)(3) organizations. This special pricing allows nonprofits to purchase these items at a significant discount from their retail value for use in their fundraising events and auctions.

If you are interested in purchasing our wine for your nonprofit organization's fundraising, please complete the form located on the final page of the document. Send completed form to:

KC Wineworks
Attn: Charitable Giving Coordinator
1829 McGee Street
Kansas City, MO 64108

You may also email us: donations@kcwineworks.com.

Please note: Prices are subject to change without notice. It may take up to four weeks for us to respond to your request. Please plan accordingly when requesting items for use at an event with a set date.

Organizations are required to pick up their items at the winery during regular tasting room hours.

WINE BY THE CASE: We offer deeply discounted pricing on our wines to all qualifying nonprofits; this wine may be used by your organization for fundraising events, auction items, etc. On the following page, please indicate the number of cases you wish to purchase, and we will contact you to confirm availability and discuss payment options. Please note that we are only able to sell wine by the full case (12 bottles per case) and are unable to accept returns of unused wine.

Prior to your purchase, we recommend you confirm with your event venue that you are able to bring in outside wine for your event and determine whether you will be charged a fee for doing so. For planning purposes, there are 12 bottles per case of wine; each case provides wine for approximately 60 five-ounce glasses.
